## Acetate nose pad

“Who says nose pad has to be always transparent?”

- Milled acetate nose pad
- 5 shapes are available both in screw type and click-in type
- Screw : Screw part (material: nylon) is attached by glue
- Click-in : Milled acetate
- Available in 20 standard colors

Eye glass market is getting more interested in colored nose pads these days. Nose pad does not always have to be transparent anymore. Let's make outstanding frames with “acetate nose pad”.

If you need further information, please contact our sales staff or [euro@eurovision.co.jp](mailto:euro@eurovision.co.jp) .

Click-in

Screw

The glue for screw type is complied with REACH regulations.
