

UP sticker for Acetate parts

How about adding brand logos or patterns on the acetate temple tip using UP stickers?

Reference UP sticker for acetate temple tip (LW-002)

UP sticker color: Gold

Front side

Back side

UP sticker color variation

Silver

Gold

Gunmetal

Light gold

Pink gold

Note: You can check the actual color of the UP sticker in the brochure.

3 Big Benefits for UP sticker

1. The UP-sticker designs do not need to be connected.
2. The border between the acetate and the sticker part is less noticeable.
3. There is no worry about yellowing.

Customer's designs in other shapes are possible for us.
