

“Rivet Hinge” now on sale!

Rivet Hinges are frequently used for mainly acetate frames. However, rivet hinge generally has a too wide variety (different hinge width, barrels, inclinations, rivet holes etc.). EUROVISION has **16 types of standard rivet hinges** which will be a clear solution to find suitable rivet hinges for your frames.

We have **sample sets** for trial frames. Please contact our sales staff or email us (euro@eurovision.co.jp) if you need the sets or have any questions.

Sample Set

You can take out every hinge and test it for your sample frames.
