

New Ceramic Pad is now on sale!

Ceramic pad has been in the spotlight since one French brand launched their new collection in which they had ceramic items. Ceramic is not only fashionable but also Known as a safe material. This time, we would like to introduce new models "Seashell type" and "Clear mat type"

New design "Seashell (4 colors)"

*White and Dark grey : Natural Ceramic Color *Silver and Gold : IP Color

- ① White
- ② Dark Grey
- ③ Silver
- ④ Gold

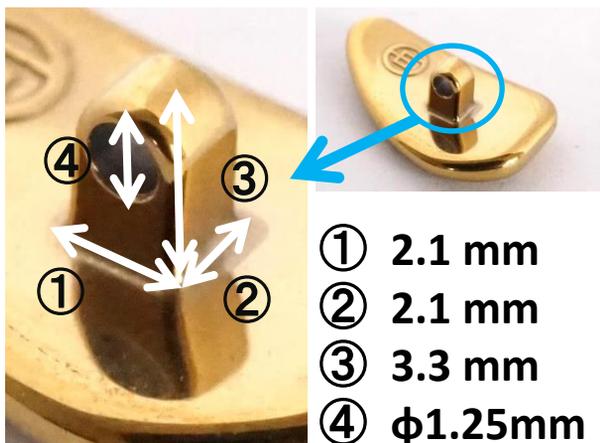

Clear mat type is newly available!

*Material:Alumina

*Same shape as our current ceramic pad

Ceramic pad can have laser logos nicely.

- ① 2.1 mm
- ② 2.1 mm
- ③ 3.3 mm
- ④ ϕ 1.25mm

Six Advantages

1. Not allergic
2. Does not generate static electricity
3. Not contaminated with grease
4. Do not breed bacteria
5. Never change
6. Does not contain harmful substances
