

Acetate Puzzle Sheet

The market trend focuses on acetate frames which will continue into the future. How about a new design with a combination of different acetate sheets, like a puzzle, as a variation of the design? Small-cut sheets with original designs are available.

INTER EYES CO., LTD.

EV EURO VISION CO., LTD.

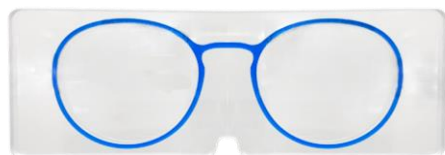

How to order the acetate puzzle sheet

1. Please provide the color of the acetate sheet and the frame design(drawing).

Frame design

We will design the sheet

2. Small-cut sheets with original designs are available.

All colors from **our partner manufacturers** are available.
