

UP sticker for Acetate parts

How about adding brand logos or patterns using UP stickers? The UP-sticker designs do not need to be connected and have a lot of possibilities in design. The border between the acetate and the sticker part is less noticeable as it gets a more natural look. Moreover, there is no worry about yellowing.

UP sticker color: Gold

UP sticker color: Silver

3 Big Benefits for UP sticker

1. The UP-sticker designs do not need to be connected.
2. The border between the acetate and the sticker part is less noticeable.
3. There is no worry about yellowing.
